ASPIRE easyStore

Organize, protect and share your photos ,
music and video with Aspire easyStore

A new way to
manage the ever
increasing digital
photos, music and
video at *home*

acer

The heart of the new digital *home*

Aspire easyStore is so quiet that you won't even notice it. With its energy saving design, it consumes less than 50%** of the power consumption of your home computer. Worry about yet another cable running through your home? Aspire easyStore can be connected to your home network wirelessly, you can put place it anywhere you'd like.

** base on total power consumption of a typical PC and monitor of no more than 175 Watts of energy at its highest rate.

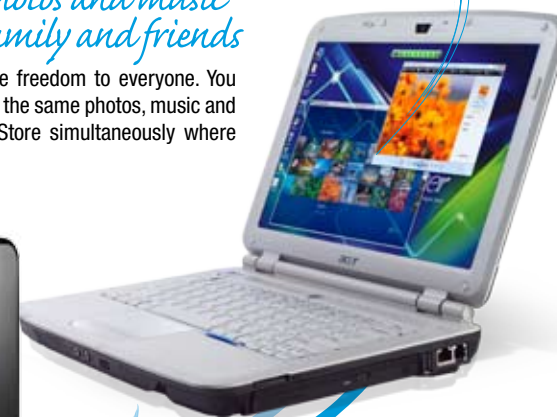

Organize your home digital library

Up to 500,000* digital photos, 300,000* mp3, 4285 hours* of movie can be kept together in one place on Aspire easyStore, no more digital photos scattered and forgotten on different computers at work and around the house, no more mp3 files stored on different iTunes players and not easily exchangeable.

* + based on 3MB per photo, 5MB per MP3 file, 350MB per hour playing time of divx AV file.

Share photos and music with family and friends

Aspire easyStore brings more freedom to everyone. You and your family can access to the same photos, music and video stored on Aspire easyStore simultaneously where ever you are.

EASIER INTERGRATION WITH YOUR NETWORK BEYOND YOUR HOME

- Built-in DHCP server and client, Aspire easyStore is automatically integrated into your home network with built in DHCP support.
- Built-in FTP server, you can share your music, photos on Aspire easyStore at home to your friends anywhere they are.
- Built-in UPnP AV and iTunes Server allow streaming music directly to iTunes player and UPnP compatible media players without additional setup effort.

Protect your precious memories...

Everyday Aspire easyStore automatically saves a copy of important files from every computer connected at home. You can rest at ease knowing your files are kept safe on easyStore even if you accidentally delete the originals on your PC or if you suffer a computer malfunction. Your photos, music and files get additional security on Aspire easyStore with protection against failure of any one of the four hard drives of Aspire easyStore.
